- Admissions priority for the Discoverer program is given to families who intend to continue into Swan School's elementary program.
- Swan School tuition is intentionally kept lower than that of comparable schools. This helps us to meet our goal of reflecting and including the income diversity of our whole local community. Family volunteer time and fundraising activities help to offset the lower cost of tuition.
- You may opt to pay the art supply fee in full at the beginning of the school year, or it can be prorated and added to your monthly tuition invoice.
- Occasionally small additional educational or field trip opportunities arise during the school year that are outside of our budget; in those cases you will be informed and there may be an additional fee.

**Swan School tuition is billed as an annual fee. Families are welcome to pay the entire year up front or in 12 equal installments on the 1st of each month. Please see the Swan School Family Handbook for specific policies regarding tuition.*
